

ROSE TRANSPORTS & SECURITY LLC

PREPARE. **PROTECT.** PERFORM.

Security is never accidental. It is the product of preparation, intelligence, discipline, and experience. Every client engagement begins with a comprehensive assessment of potential risks, operational objectives, and environmental factors to develop customized protective strategies that are effective, discreet, and responsive.

A LEGACY OF SERVICE. A COMMITMENT TO PROTECTION.

Rose Transports & Security was founded by Victor C. Rose, a seasoned Senior Security Specialist, whose distinguished career encompasses decades of military service, law enforcement, executive protection, tactical operations, and security management. This extensive background provides clients with the confidence that every operation is guided by proven leadership, disciplined planning, and real-world operational experience.

MR. ROSE'S BACKGROUND & EXPERTISE INCLUDES:

- ✓ Military security operations and force protection
- ✓ Law enforcement and public safety operations
- ✓ Executive and dignitary protection
- ✓ Protective intelligence and threat assessments
- ✓ Security planning and operational coordination
- ✓ Drone surveillance and aerial reconnaissance
- ✓ Critical incident management
- ✓ Defensive tactics and protective movement
- ✓ Security logistics and route planning
- ✓ Emergency preparedness and crisis response
